WINSLOW HIGH

SCHOOL 1971

SERVICE AND WISDOM DESERVE DEDICATION 1971

Because of the outstanding guidance and service of two of the leaders of our school administration, it would be impossible to distinguish between them. We have decided to dedicate this year's Meteor to both men.

One of this year's Dedicatees has been a faithful servant for the Winslow School System and the City of Winslow for many years. He came to Winslow in 1929, when he taught Plain Geometry in the high school for one year. He then became a science teacher for four years before becoming Assistant Principal and physics teacher. In 1935, he became Winslow High School's principal. In 1939, he became the Superintendent of Public Schools in Winslow. When World War II began, Mr. Ray Booth joined the Navy and served his country for three years.

He received his BS Degree from Kansas State Teachers College in 1929, his Masters Degree from the University of Arizona in 1934, and attended USC for nine summers.

To you, Mr. Booth, we dedicate the 1971 Meteor in return for the priceless gifts of knowledge and inspiration you have bestowed upon us. We want to express our deep gratitude for the guidance and support you have so unselfishly given us in your years of service to Winslow Public Schools. Your wise counsel will never be forgotten.

Our other Meteor Dedicatee came to Winslow in 1940. He taught fourth and fifth grades at Lincoln School as the only male teacher. In 1941, he began his service to his country in the U.S. Air Force. He returned to Winslow during the school year 1947-48 and taught sixth grade at Wilson School. In 1948-51, he returned to the Air Force and taught ROTC at the University of Arizona in Tucson in 1953. In 1954-55, he returned to teach seventh grade in Winslow and coach basketball. In 1957, he became Winslow High School's principal and has faithfully served our high school for the past 14 years. At his own request, Mr. James L. Curtis will be principal of the Winslow Junior High School beginning the school year 1971-72.

He attended Arizona State Teachers College at Tempe, and received his Bachelors Degree in 1938. In 1956, he received his Masters Degree from Arizona State College in Flagstaff.

And to you, Mr. Curtis, we gratefully dedicate this 1971 Meteor for all your untiring service to your community and to the high school. It was your wise guidance and counseling that has built Winslow High School's outstanding reputation and has made us proud of our school. Your sincere interest and concern with all students of WHS and the City of Winslow will always be remembered and deeply appreciated by all who were privileged to receive it.

SENIORS

Melissa Ayers V. Pres., Doug Sorensen Rep., Tayva Rhoton Rep., Chris Greer Rep., Tracey Kirkland Sec., Shirley Light Pres., Cathy Knight Treas.

The Class of "71" was one of the best ever. They collected more money, won more contests, and contributed more spirit in their year of reign. The seniors accomplished many things, among these were changing of the dress code, a King and Queen of Hearts, and an Ugly Couple contest, and Baccalaureate and Graduation on the same night. Included in the many winnings of the class were the Chain contest, Miss Merry Christmas, Ugly Couple, King and Queen of Hearts, and Gym decorating. The seniors tied for second place on the Homecoming float. With all the money made by the seniors, there was quite a range of ideas used for their ditch day and senior activities for the end of the year. Mr. Griffith was our new Government and Sociology teacher. He also took over the National Honor Society. Mr. Griffith was also an active senior sponsor. The other senior sponsors were Mrs. Meikle, Mrs. Stotts, Mrs. McAuley, Mrs. Gipson, Mr. Knight, Mr. Downing, Mr. Hysong, Chairman, and Mr. Boswell. We appreciate their help in making a successful year for the class of "71".

JUNIORS

Rosemary Ewan; Rep., Moreau Walters; V. Pres., Steve Brockwell; Pres., Jo Letts; Treas., Cydney McLaws; Sec.

This year began with a boom for the junior class. It all started with the first day of school when they realized that last year they were sophomores and next year they would be seniors.

Their first victory came in the Homecoming Float Contest. They used the traditional class ring as their basic theme for their float. It was a beautifully done float deserving the first place they won.

The next accomplishment was winning the trash can contest. Every club and class participated in decorating the trash cans around the campus. The juniors out did everyone with their original idea of a circle K milk carton, garbage can, outhouse, and a side with all the names of the people that helped on it.

Then we all heard the halls ringing with the sounds of excited juniors as they exhibited their class rings. It was a time the class will never forget. The class ring is a treasured memory of your high school days.

The basketball games proved very fruitful for the junior eager beavers. The concession stand of cokes and candy was a major money making project for the class, but also they sold candy bars and had a concession stand at the Christmas parade.

Now "72" is the ruling class. They will enter the halls next year with a new outlook. We wish you all the luck the future holds!

SOPHOMORES

From left to right: Beth Neill Trea., Terri Garner Sec., Carla Cribbs V. Pres., Max Hathaway Pres., Gwen Sorensen, George Bertino, and Tom White, Rep.

Here they are! The proud class of 1973. At the end of the school year of 1971, they have completed their course as sophomores. They have dissected fish, frogs, grasshoppers, crayfish, and clams. A lot of new clubs and organizations were opened to them as sophomores which were not offered as freshmen. Soon more stripes will be uncovered for the letters they have earned in clubs, sports, and organizations. They also took on the responsibility of setting a good example to the new freshmen. They know the rules of the high school and they have learned to obey these rules.

This year the sophomores did their best in the contests. They came in second in the chain making contest. They tied for second in the homecoming float contest. Their float consisted of a maroon and white football helmet which went with their theme "Sophomores Support W.H.S." They really have gotten on the ball and supported Winslow High this year. Their cross country, football and basketball players, their wrestlers, gymnasts, cheerleaders, Meteorettes, and mascots have really helped support our high school this past year.

FRESHMEN

Seated- Mary Durkin-President, standing left to right-Mary Faucher-Representative, Bonnie Wade-Vice-President, Joe McLaws-Representative, Janet Heflin-Treasurer, Toynette Tanner-Secretary, and Bill Duran-Representative.

The year began with the anxious freshman full of fear and excitement. They registered first and got a glimpse of their principal for the next four years.

The following month they had their annual orientation where the upper classmen taught them the school songs and school cheers. They were told about the clubs they can participate in and the activities they can join.

Then came the freshman auction where the upper classmen bought freshman for their slaves and the freshmen were told what to do.

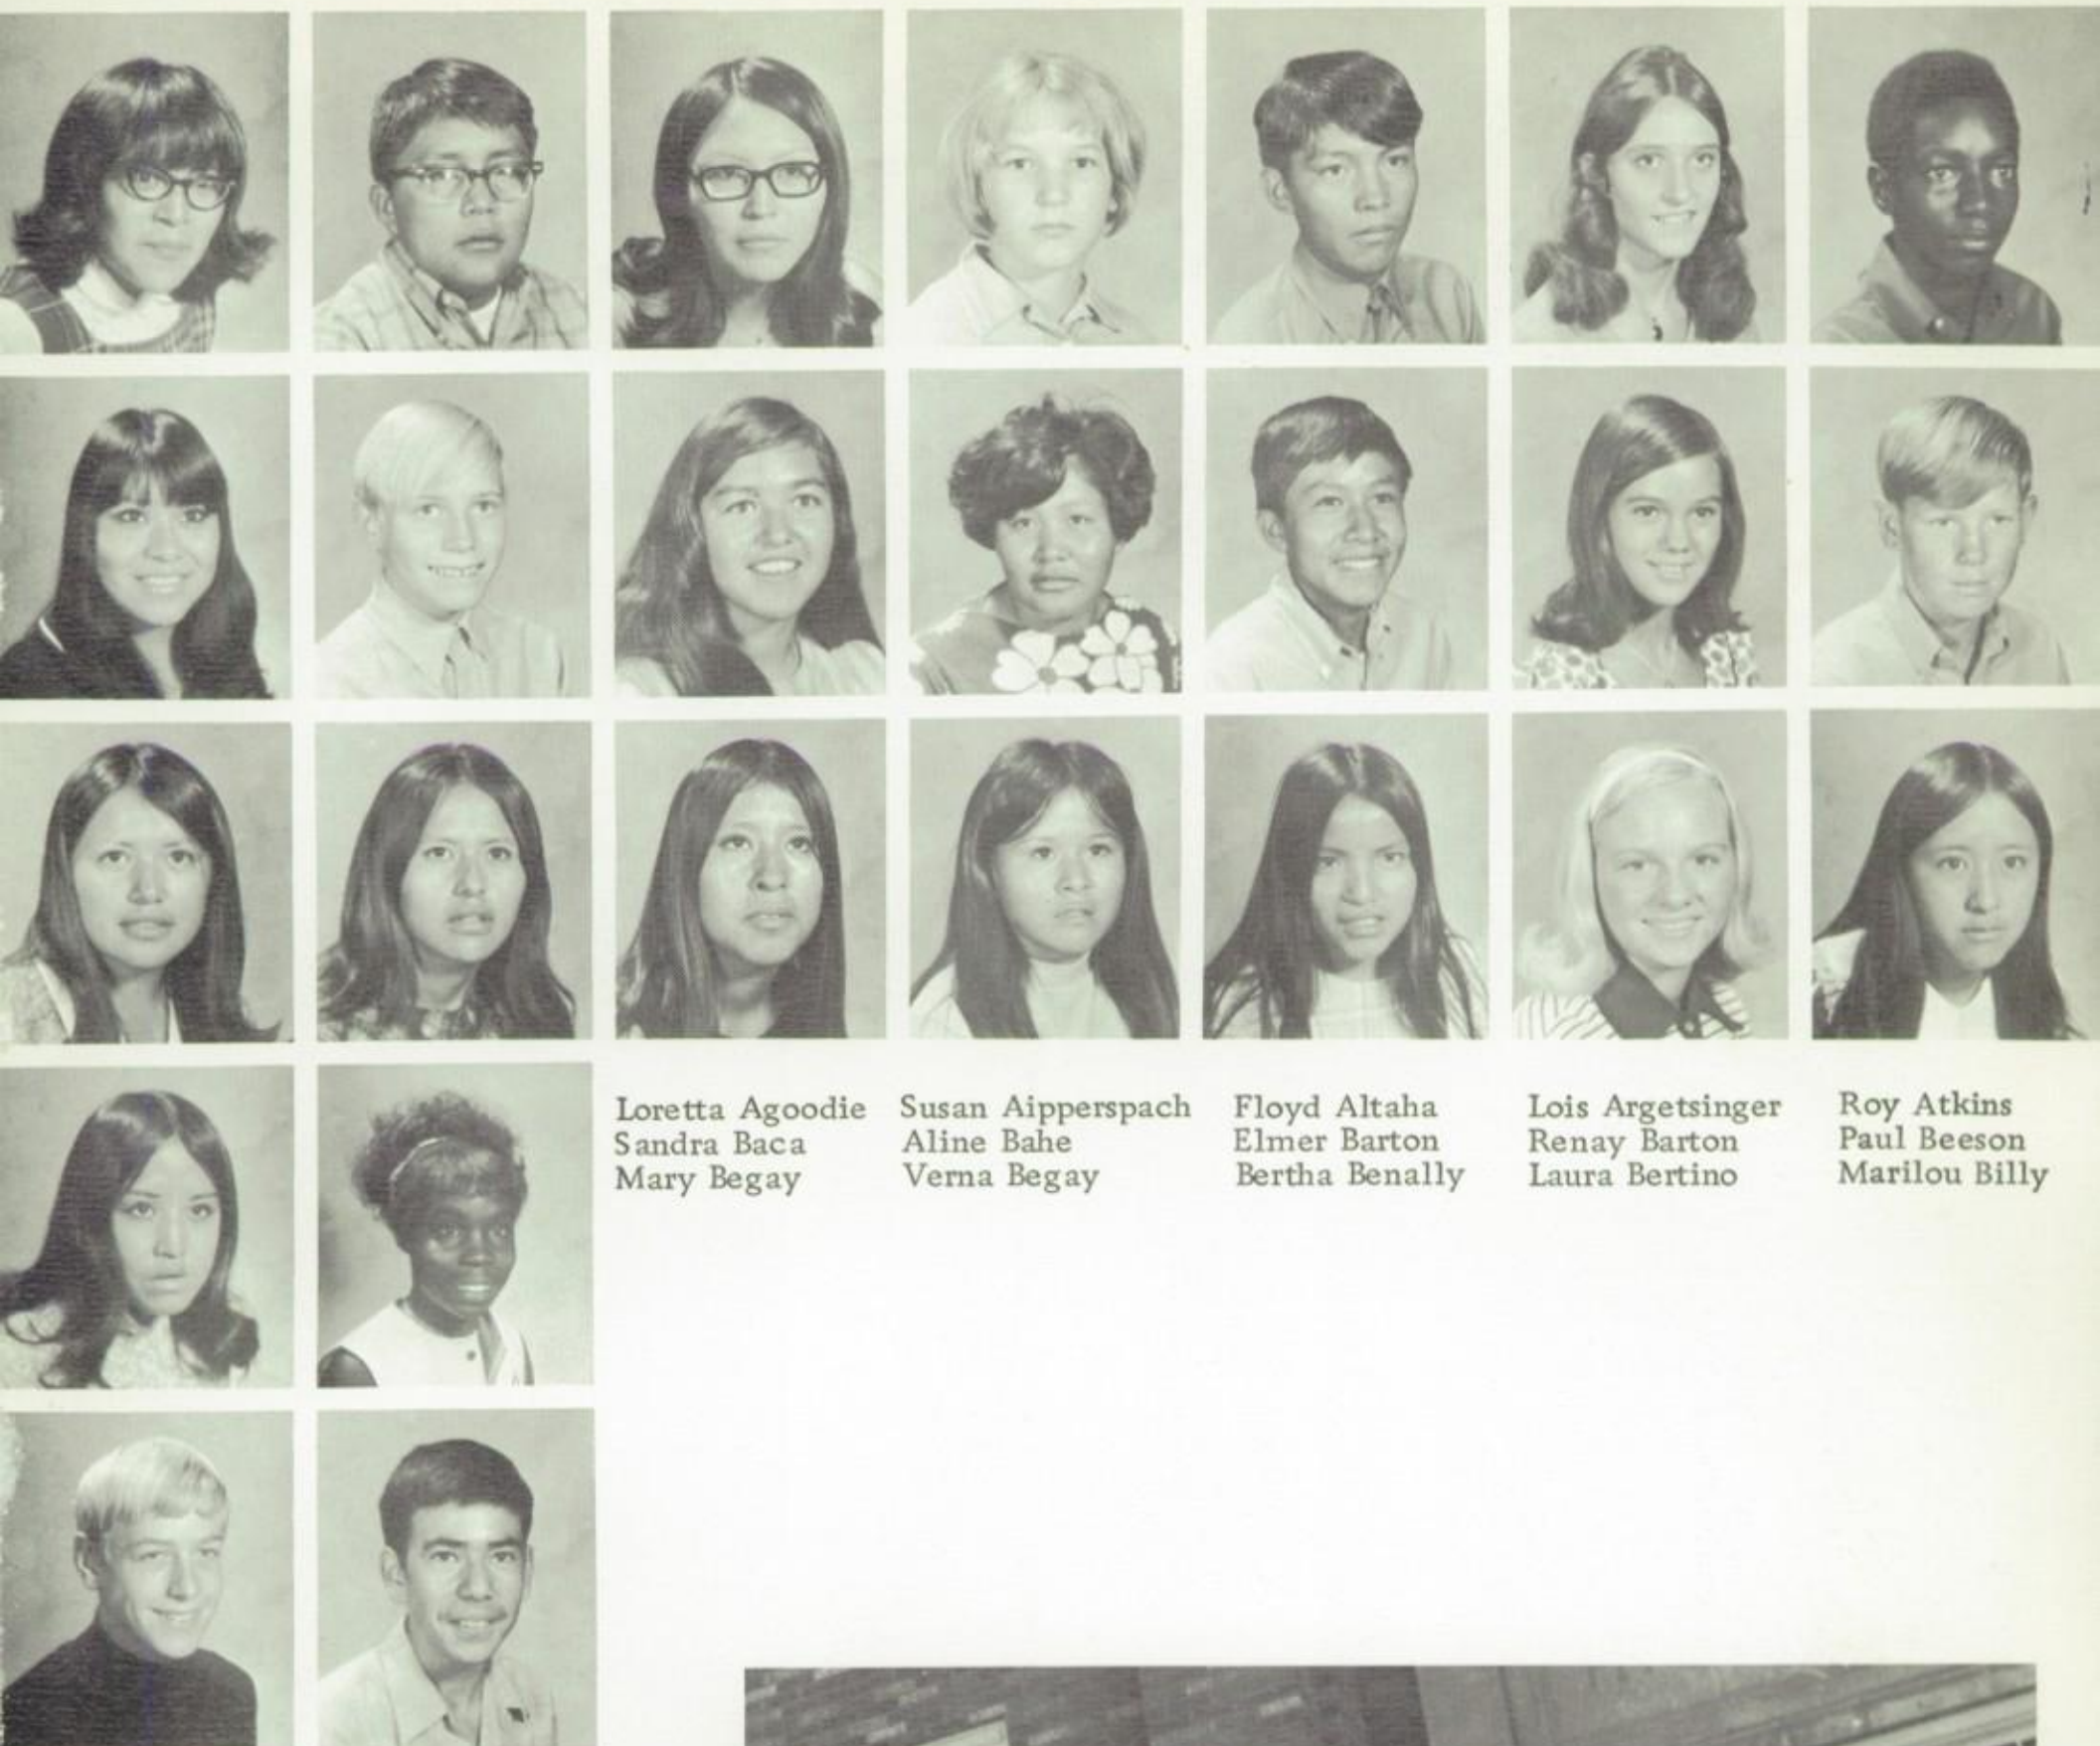

The class also began money raising efforts this year so they would have some of the finances needed for the various activities that will occur during their junior and senior years. These included selling donuts and candles. They were very energetic throughout the year. Winslow High is proud to have them.

ACTIVITIES

Homecoming Candidates: Queen Jeanne Soehner, Amber Brimhall, Terri Curtis, Regina Ezell, and Tayva Rhoton

Mr. Conatser
Homecoming Dedicatee 1970

"Traditions" was the theme for the 1970 homecoming assembly.

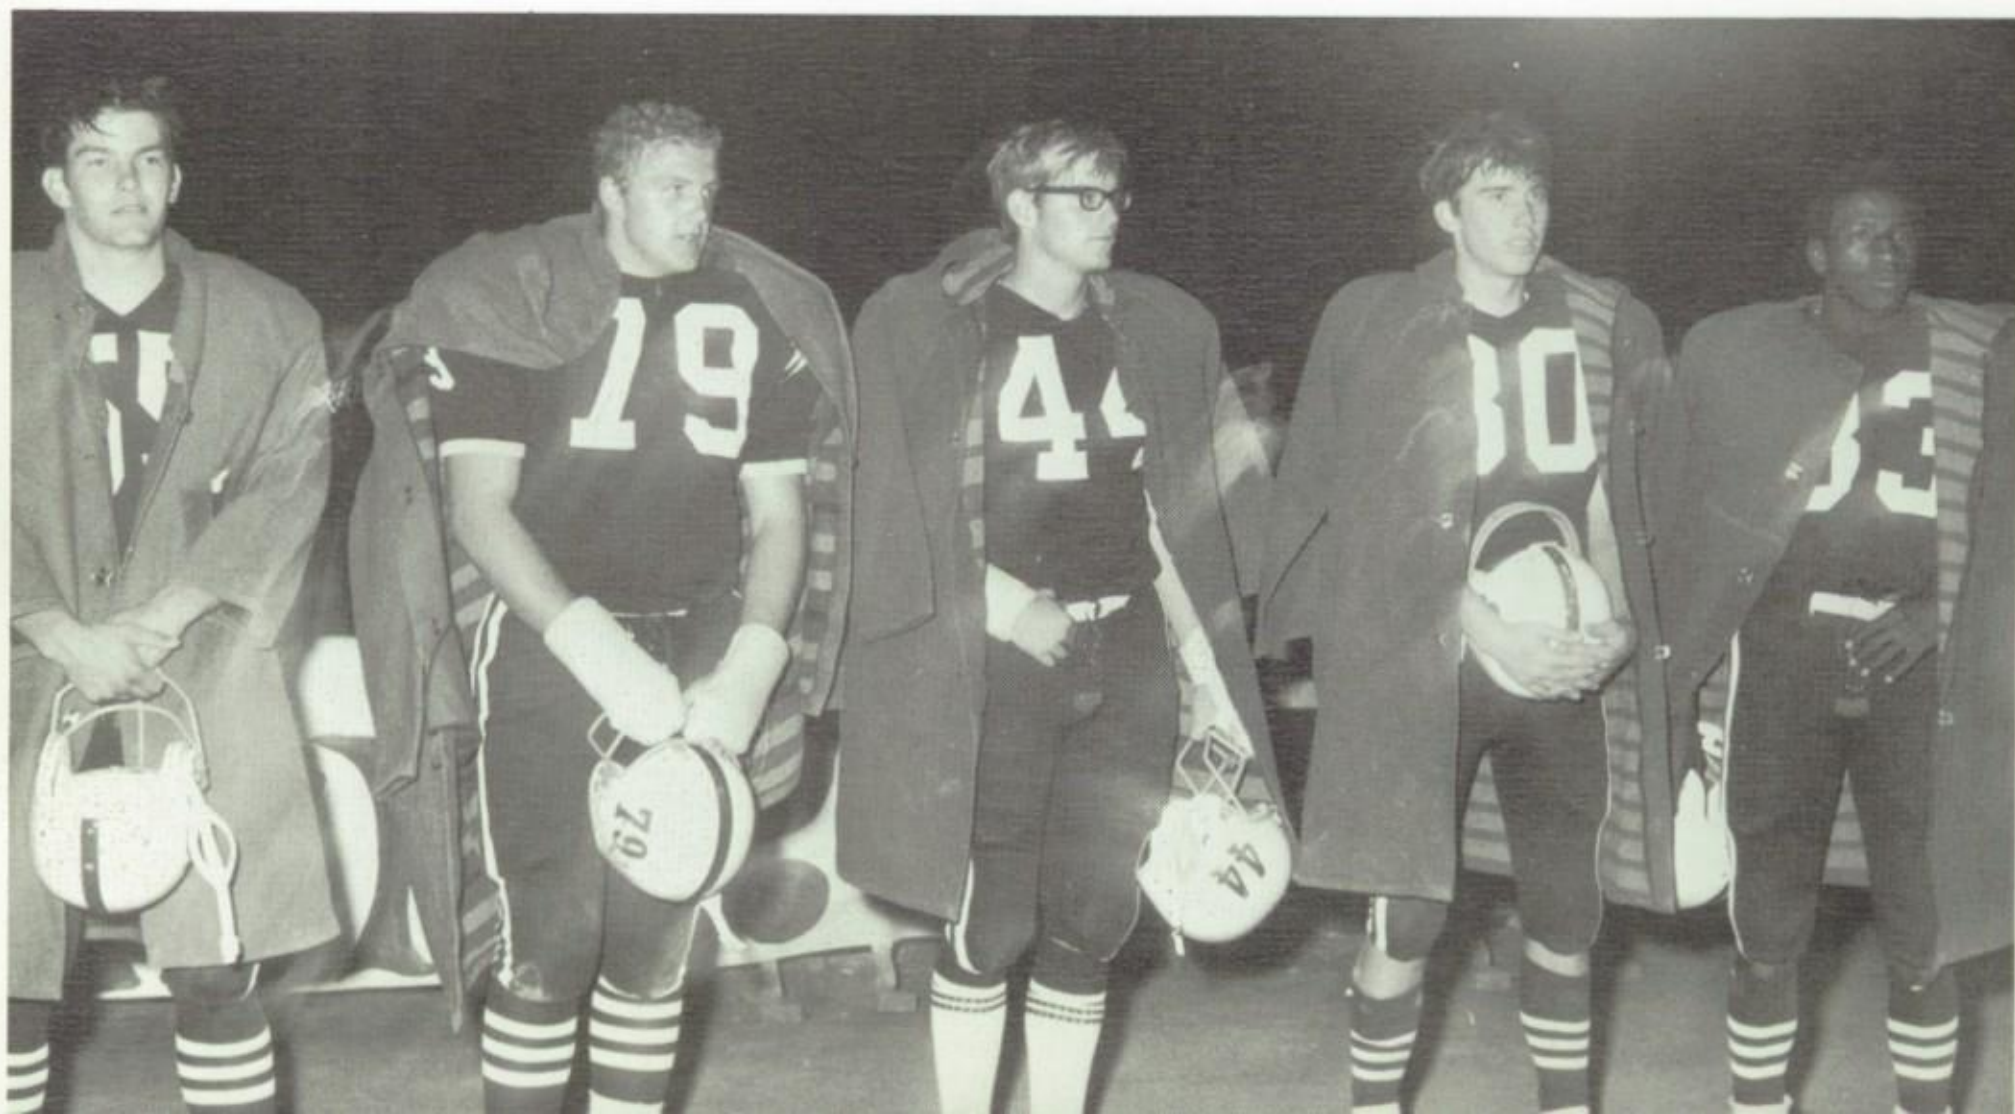

Reigning from the throne of the WHS homecoming was Jeanne Soehner and Garry Hardy as they were crowned the 1970 Homecoming King and Queen.

This year's Homecoming Dedicatee, Mr. David Conatser, received this honor by his hard work and service to the high school.

The week's activities ended with a parade Friday afternoon, a victory game over Miami, and a dance after the game.

HOMECOMING 1970 IS SUCCESSFUL

Homecoming Candidates: Doug Sorensen, Curtis Hardy, Mike Faucher, Roddy Campbell, and King Garry Hardy.

From top to bottom: Doug Sorensen, Dee Harrah, Chris Greer, Shirley Light, Mike Faucher, Jeanne Soehner

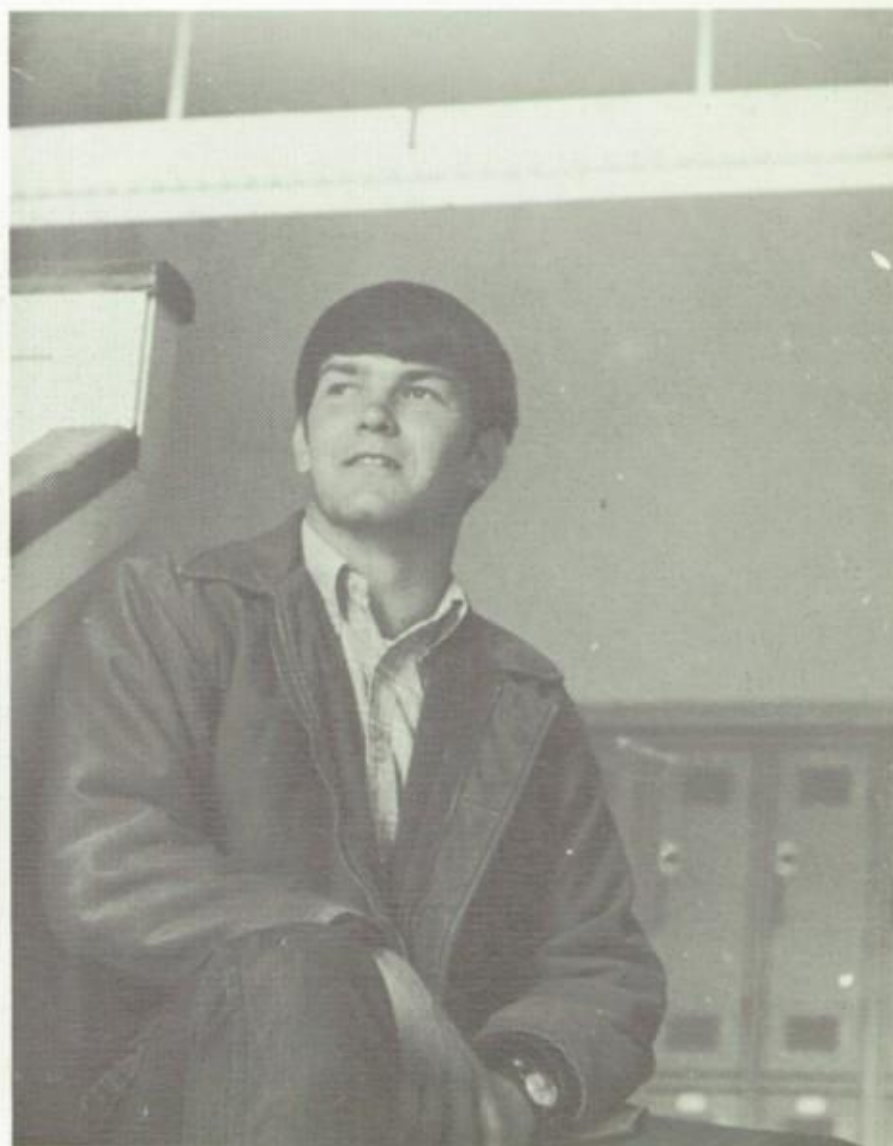

DELEGATES IN GOVERNMENT

During the week of June 8-14, Shirley Light, Dee Harrah, and Jeanne Soehner traveled to the University of Arizona to attend the 1970 Arizona Girls' State. During the same week, Chris Greer, Doug Sorensen, and Mike Faucher attended Boys' State at Northern Arizona University in Flagstaff.

While attending the Girls' and Boys' State, they all learned the correct procedures of balloting, elections, and the running of government operations, whether it be city, state, or national government.

All three girls held city offices and assisted in forming a city book for each of their cities.

Doug Sorensen was elected to the office of Secretary of State. This took a great deal of campaigning and speech making. He also had the honor of being elected as a senator to Boys' Nation. From July 17-24, Doug spent his time in Washington, D. C. learning how our national government is run. His efforts have brought great honor upon Winslow High School, the American Legion, and those he represented in Arizona.

Doug Sorensen, delegate to Boys' Nation.

Alright everyone, listen up and listen good!

There's got to be an easier way to look slimmer.

Steve Brockwell daydreaming after a hard days work on the farm.

Surely every city slicker has, at one time, yearned for the healthy, outdoor life down on the farm. The strivings of modern man to get back to the soil has been depicted in a number of books and television shows. But surely no one has handled the subject with so much charm, lightness, and humor as has Betty MacDonald in this modern classic, now delightfully dramatized by Anne Coulter Martens.

Senior Class Play

Who is guilty when a juvenile gets into trouble? When a "good" kid who seemingly has had every opportunity for a worthwhile life is brought before a judge to answer for his actions, does he stand alone after accused? Or is there such a thing as "contributory guilt?"

Judge Frazier (Tayva Rhoton) of Juvenile Court questions Gary Durant (Mark Faucher) on the stand during senior play.

Curtis Hardy demonstrates what happens to W Club members when they are late.

"W" Club is an organization composed of boys that have been awarded the school letter in competitive sports, such as football, track, baseball, golf, basketball, cross country, or wrestling.

It encourages better sportsmanship, helps stimulate interest in all athletic events, and provides fellowship for Winslow High athletes.

Our members were seen selling popcorn at all the home athletic events during the season.

REACH OUT

President-Peggy West; Vice-president-Vannie Podruchny; Secretary-treasurer-Janice Hopper; Representative-Sharron Johnson.

Mr. Harris and Peggy West are leading the members of Reach Out in a discussion of one of the many parts of the Bible.

"Reach Out", formerly the Bible Club, is a high school organization formed by students interested in the Christian way of life. Their goal is to be a representative for Christ within the high school, and to spread the love of Christ and the happiness a Christian life can give.

Some of their activities are selling plastic bulldogs, they have put on some religious dramas around town. The members and their guests went on a picnic at Blue Ridge during Easter vacation. They also had a Senior social at the end of the year to honor the seniors in the club.

"S" Club was very active this year. They participated in many community projects and school activities. Among these were the Indian Rodeo, parade, Kiwanis' Breakfast, Bonnie Brennan Carnival, Football and Policeman's banquet, and many other services. These are really a bunch of hard working girls.

Katrina and Gwen work hard at the rodeo, one of the many service projects of S Club.

A new group was created this year, one composed of the men of our school. The name of this is Boys Routing Association.

The guys turn out at all the football and basketball games to support the players with their spirit. They have really been an asset to the school.

GIRLS ROUTING ASSOCIATION

Officers: T. Curtis, pres; B. Moore, v. pres; M. Benham, sec; J. Soehner, treas; E. Peterson, rep.

Girls Routing Association, formerly known as Pep Squad, really came a long way this year. They participated in all the football and basketball games.

They sold plastic flowers at Homecoming for the men to buy for their dates. This proved quite profitable.

This year they bought uniforms. The suits consisted of a maroon pants-skirt with a white top. These uniforms added even more spirit to the club.

The initiation was a spook house for the new members and those not initiated last year. This, and all the activities of the year, made the club a fun and busy one.

On the ground: E. Peterson, M. Faucher, B. Smith, B. Moore, S. Plumley, M. Plese, R. Martin, R. Hatch, L. Fore, S. Copsey. In the tree: J. Soehner, F. Orozco, T. Curtis, S. Keller.

NURSES OF TOMORROW HERE TODAY

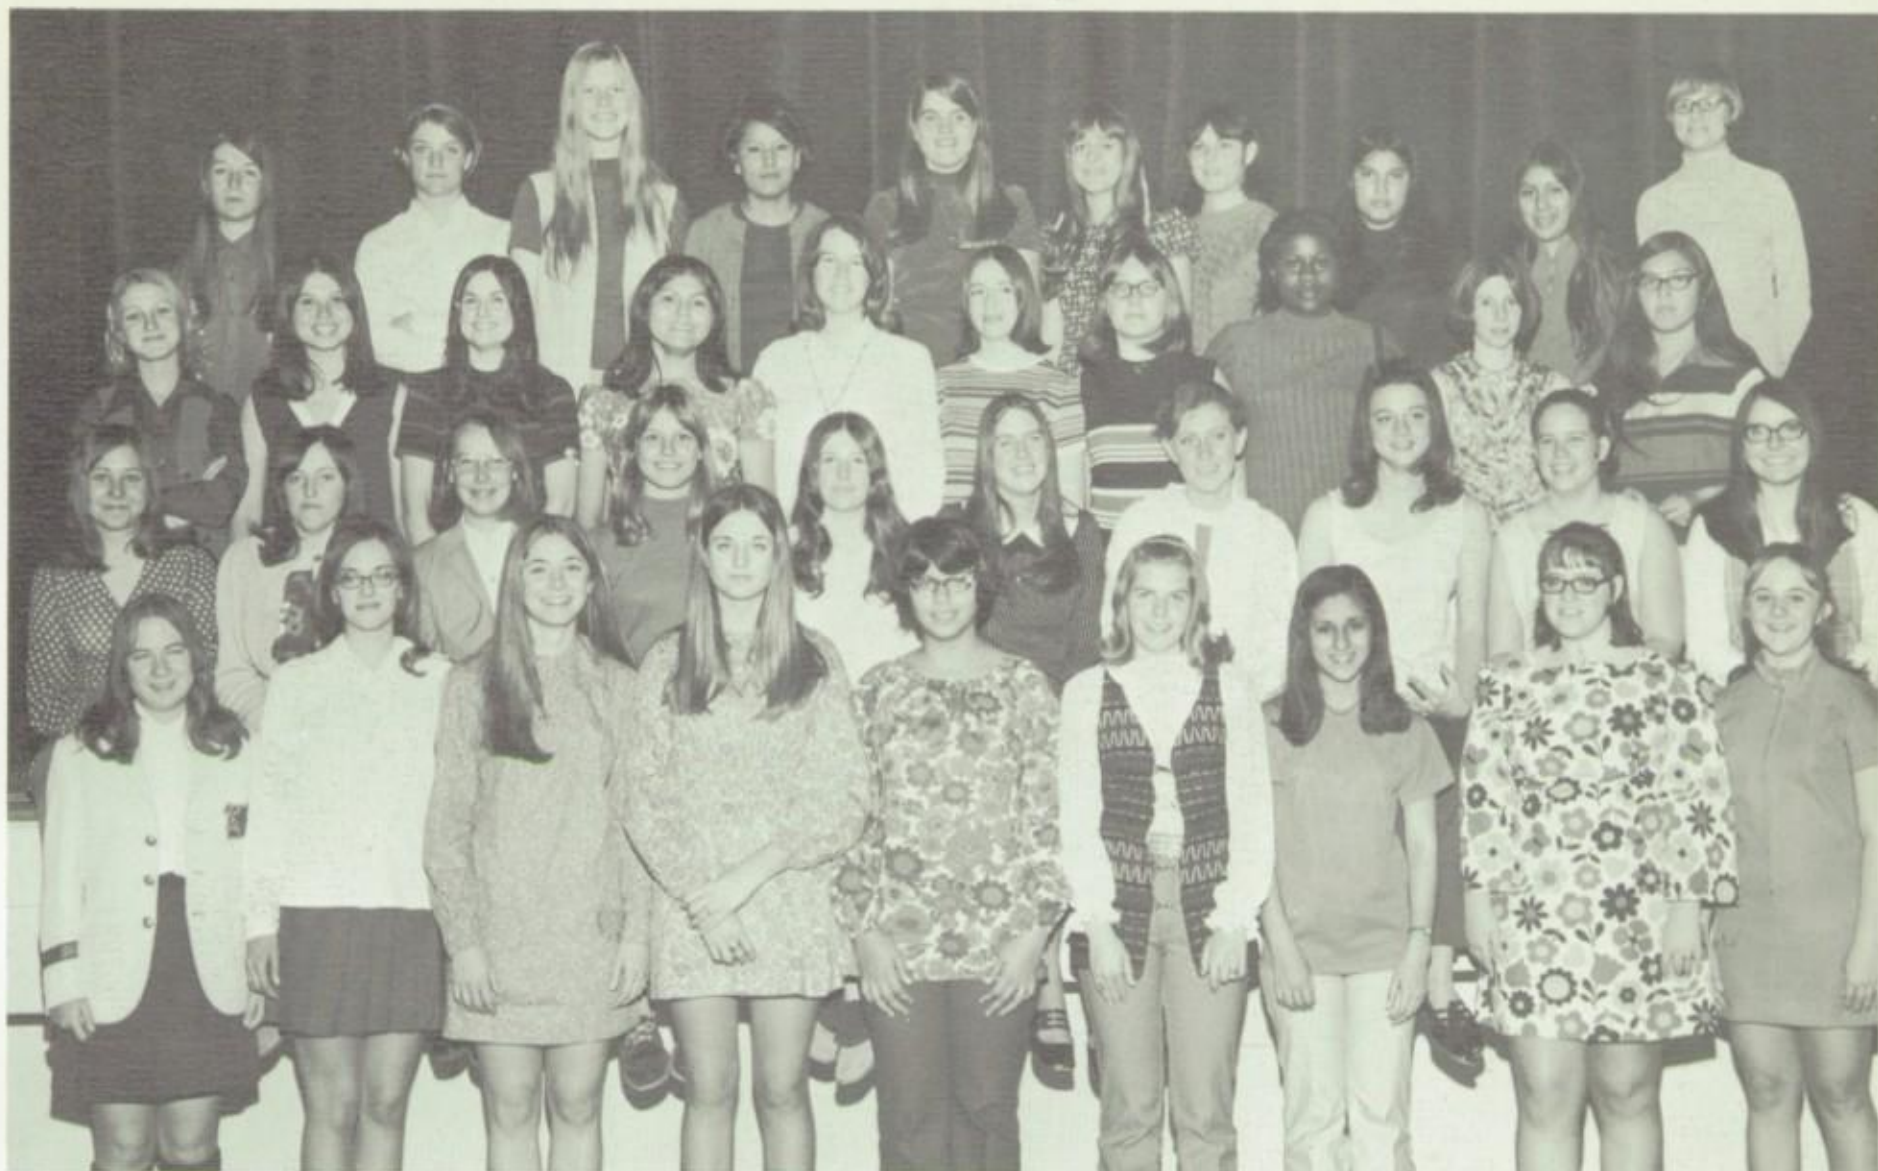

Let N. O. T. bring out the real you.

Nurses of Tomorrow is a high school organization for girls who are interested in nursing. The purpose of N.O.T. is to prepare young girls for a nursing career.

N.O.T. has been very active this year. They have participated in many activities which went for the benefit of others.

In October they visited the Good Samaritan Hospital and the St. Joseph Hospital. They also visited the Valley of the Sun School for Mentally Retarded Children and the State Hospital. For Christmas the group collected toys for the underprivileged and they also made pillows for the mentally retarded children. N.O.T. sold spook insurance for Teenagers Against Polio.

1st row: E. Ekstrom, S. Light (Rec.), J. Soehner (Pres.), E. Peterson (Sec. Treas.), S. Lopez, R. Hadler, F. Orozco, J. Roberts, M. Plesh, 2nd row: S. Copsey, S. Hancock, C. Hastings, S. Keller, R. Carpenter, J. Freeman, L. Bernier, B. Moore, T. Curtis, B. Smith, R. Day, M. Talayumptewa, F. Lockwood, P. Duggins.

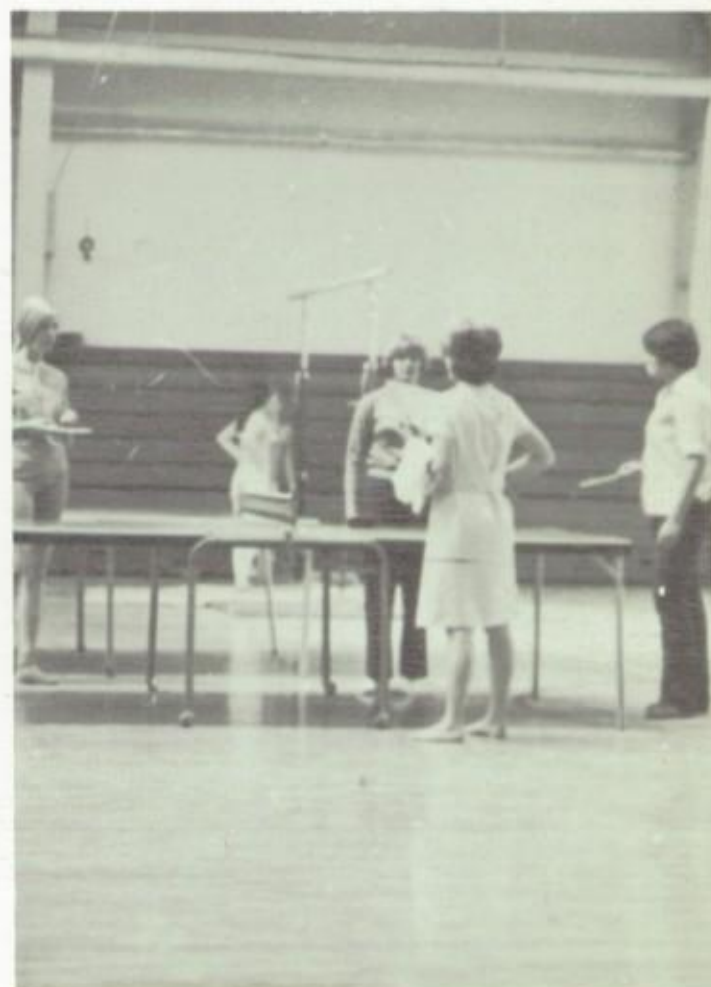

G.A.A. ON THE MOVE

The purpose of the Girl's Athletic Association is to provide girls with the opportunity to participate in various sports and activities which give them the opportunity to letter after acquiring 500 points.

Fellowship and good sportsmanship is encouraged when the group plays basketball, volleyball, softball, gymnastics, body mechanics, ping pong, tennis, swimming, bike riding, track or archery.

The G.A.A. volleyball team took 1st place in an intramural tournament held against the Jr. High's volleyball team. They also traveled to Flagstaff to compete against several schools from the valley.

The group has been active this year. They sponsored a dance at the beginning of school and plan to go on a bike hike and have a cook-out. G.A.A. also received 3rd place for the Miss Merry Christmas float that they were responsible for building. Bea Moore was chairman of this project.

Active G.A.A. members are participating in one of the many sports ping pong.

MADRIGAL CHOIR

Row 1: P. West, J. Hopper, S. Johnson, K. Beeson, S. Light. Row 2: S. Zukowski, T. Gaston, S. Wade, S. West, K. Conatser.

Concert Choir has been very busy this year in many different activities. They traveled to the State Music Festival in Flagstaff during April and did a fine job. Rotary and Kiwanis have both enjoyed hearing the Concert Choir sing at their meetings. They made a fine addition to the Christmas Program in December, and performed a concert in May and another one in March. The Variety Show was a big success at the beginning of the year. At the first of May, they went on tour to Agua Fria, Peoria, and McClintock high schools. In order to become a member of this group, one has to perform in front of Mr. Arthur.

The Madrigal Choir of Winslow High School is an honorary club composed of several of the best choir members. In order to enter this group, one has to audition in front of Mr. Arthur, for he is the final authority on the members. They started out the year by singing for the Kiwanis Pancake Breakfast in September. Everyone who attended this breakfast enjoyed their singing. Later in the year they attended the Solo and Ensemble Festival in St. Johns and received an admirable rating. Mesa Community College was the site for the State Festival for them this year.

Congratulations to both fine groups.

HONOR SOCIETY

Honor Society is an honorary club composed of Juniors and Seniors who have the qualities of leadership, service, character, and scholarship. A person has to be in the upper 10 percent of the Junior class and the upper 15 percent of the Senior class in order to qualify for membership. Mr. Griffith took over as sponsor this year and has done a good job.

The year started out for Honor Society by inducting 10 Juniors and 17 Seniors at their annual assembly, bringing the total membership to 35. The activities began by the club selling chocolate bars and chocolate covered almonds for a money-making project. Before school let out for Christmas vacation, everyone worked hard on decorating the school with a huge Christmas tree and signs on every door, then celebrated by having a party at Cathey Knight's house. To raise money for the Heart Fund, Honor Society sponsored a Heart Fund Dance where a King and Queen of Hearts were crowned. There were candidates selected for both King and Queen from each class. Seniors David Rencher and Regina Ezell won.

This June all the graduating Seniors who are in Honor Society will be wearing a gold cord hanging down the front of their Graduation gowns. This will be to distinguish them from the rest of the graduating class.

Members of Honor Society participate in a meeting toward the end of the year.

The Student Council has been very active and lead many school activities. They sponsored the Kanagaroo Court, and Twirp Week. They sold monogramed valentines, collected aluminum cans, and also gave \$50.00 to the Vivian Gonzales fund.

The project the council worked on the hardest was changing the dress code so that girls were permitted to wear pants. This was a job well done. Mike Faucher, Student Body President, and others worked up petitions, interviewed individuals on their opinions, and talked to the School Board, resulting in a dress code change.

They also accomplished painting fire hydrants and trash cans around the school.

The council is collecting Betty Crocker coupons to buy a needed machine for the new hospital.

1970-71 ANNUAL STAFF

Front row: J. Cribbs, L. Joe, T. Curtis, D. Harris, S. Light. 2nd row: S. Fishback, R. Martinez, S. Burrage, C. Thompson, M. Billy, S. Rinker. 3rd row: C. Williams, R. Jones, R. Chavez, P. Cullum.

At 2 o'clock in the afternoon the annual room is filled with many busy people working to produce the Meteor of Winslow High School. Between the editor's leadership, the photographer's heavy schedule, and the lay-out people's patience, the annual is produced each year with deadlines to meet and problems to solve. To be in annual you must be able to type, write clever captions, and informative copy. The students have learned valuable information in the fields of advertising, sports, lay-out, promotion, sales, and activities.

Each member of the annual staff contributes to the production of the annual. Each member, also, is as important as the editor, business managers, or the asst. editor.

The job of the editor is to over-see the production of the yearbook. The asst. editor is the person being trained for the next year's annual. The job of the business managers is to sell advertising to the local businessmen and to promote annual sales.

Although annual class is a lot of hard work, the information received can be very valuable in the future.

An official publication of the Winslow High School is the Bulldog Barks. The Bulldog Barks is published every month to inform the students and to provide a record of what is happening around their school.

The Bulldog Barks work very hard to get the paper out to their classmates each month.

Each month there is something new and exciting in the paper. There is usually some sort of safety feature or club feature.

There is always something interesting happening for the BULLDOGS BARKS.

Members of the staff getting ready to put out one of their issues.

LEARNING THROUGH SCIENCE

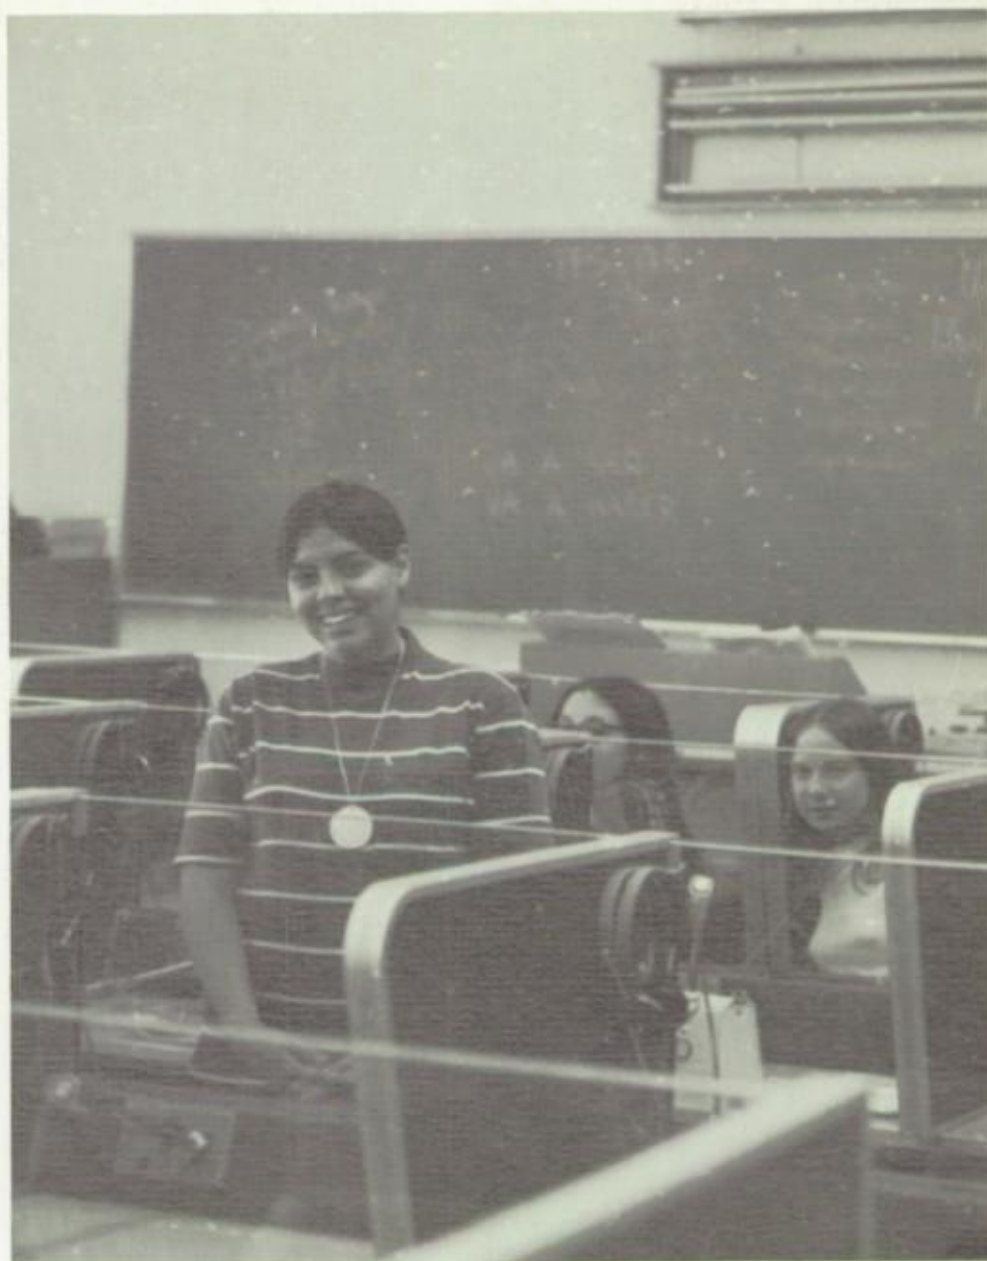

The Winslow High School Science Club was buzzing with activities this year. The radio section of the club assembled a low power radio transmitter which could be picked up on any AM radio. The computer section learned to assemble flow charts and write simple programs that were run on a computer. Various member projects included the construction of various other small pieces of equipment. The purpose of the Science Club is to stimulate an interest in the fields of science which may lead to careers in science.

Mr. Dryden demonstrates to the members of Science Club the proper use of an AM Radio

The Spanish Club, active year-round, participated in several school activities this year including: the Trash Can Contest, in which they won second place, the Homecoming Parade, and several money-making projects. The basic purpose of the club is to provide its members with a working knowledge of the life of the Spanish speaking people. They explore the culture, language, food, and customs of the Spanish people, and try to understand their way of life.

The Speech and Drama Club of WHS has been very active in our community and school this year. Their activities started out with the Senior Play, WE'RE ALL GUILTY and the Junior Play, THE EGG AND I, which were both received very well.

February brought several plays for the Children's Theater. A Saturday performance drew a big crowd of young and old alike. HANSEL AND GRETEL was performed in May for the Children's Theater.

The Debate Team met Window Rock for practice debate in February. Later the whole speech team returned to Window Rock and took first place in the Navajoland Speech Tournament. The following week the District Speech and Drama Tournament was held at Coconino. Winslow placed 2nd in district. The NAU Speech Festival was the next week, and competitors from Winslow won many individual awards. Four students attended State Speech Tournament in Tucson.

At Christmas a play was presented in several local churches called The Little Match Girl. In May an "Evening of 1-Acts" was presented as a Christian drama.

We extend sincere congratulations to this fine club for their work.

Mrs. Bradshaw gets assistance from members of Speech and Drama in order to obtain her teaching certificate.

The Future Teachers of America was started in WHS during the second semester. Mr. Boles became the sponsor of the club at this time.

One requirement for membership is that each member has to observe in some elementary or Junior High classroom two times a month. This consists of the member either observing and taking notes in the classroom or doing some actual teaching. If it is possible to work into the high school schedule, one may become a cadet teacher and teach in a school one hour a day for one full credit. This was not possible this year due to the late start of the club.

An April Fool's Bake Sale was sponsored by the club and it resulted in a fine profit for the club. On April 31 and May 1 the FTA State Convention was held in Tucson. Several members represented Winslow in this convention.

Officers of the club are: President-Shirley Light, Vice President-Bea Moore, Secretary-Debra Harris, Treasurer-Roxie Martin, Student Council Representative-Renee Day.

All of the yearbook staff extends their sincere wish for continued success to this fine club and the hope that they will continue to grow and prosper in the future school years.

Mr. Boles gives instructions to several FTA members on how to instruct a class.

FTA

FHA stresses home life and the fun that can be obtained from home economics. The Creed stresses the fact that they are building for the future and seeking old, precious values.

In FHA the girls work toward degrees that help them grow as individual, family members, club members and school and community members.

FHA has participated in many different activities this year. They have painted trash cans, had tostadas and burrito sales, and an initiation breakfast. Next year promises even more for the girls who plan on joining this organization.

A few of the FHA students are sampling their cooking.

KEY CLUB DEVELOPED MORE INITIATIVE

Front row: D. Baker, M. Faucher, P. Beaty, E. Coin, J. Benham. Second row: C. Haney, T. Oso, J. Hopson, J. Cake, J. O'Haco, Top row: M. Faucher, S. Cherry, G. Moody, R. Neill, C. Hardy, D. Sorensen, T. Lewis, S. Zukowski.

Key Club developed more initiative than ever before. They raised the flag and rang the bell at all home football games. They worked at the All-Indian Rodeo and spent the morning helping at the Kiwanis Pancake Breakfast. They also sold Spook Insurance for the March of Dimes and put on a fashion show. They modeled clothes from the various stores around town. The last and most important event of the year was their annual Western Stomp. This is the club's biggest money raising project of the year.

This justifies the fact that the Key Club this year has earned the title of being an honorary organization that helps out the school and the community.

DECA—THE WORKING CLUB

First row: V. Podruchny, L. Wellman, G. Gorham, L. Mendoza, F. Olague, K. Trujillo, M. Armijo, G. Lewis, Second row: T. Weinbeck, E. Tafoya, D. Ayres, E. Ellison, S. Gonzales, D. Blakes, T. Butch Bradford and Gloria Tafoya are practicing for job interviews, which is a part of the many things learned in the class activities.

DECA has been very busy. DECA stands for Distributive Education Clubs of America and is basically a business course. Marketing, store management, and retailing are among the courses offered in this two-year program.

There are approximately 25 members enrolled in this class who are now working in the Winslow area.

Officers for the year were: Gary Moody, Pres., Ruby Collins, V. Pres., Jonee Patterson, Sec., Mary Mazon, Treas., and Kathy Beeson, Rep.

Activities for the year included fall workshops, a homecoming float, and the state convention.

The 1970-71 orchestra's membership is that of the string ensemble accompanied by select members of the band. They have regular practices in order to perform two concerts, participate at Festival in Flagstaff, and go on tour.

Their tour this year was a reservation tour. They went to Many Farms, Winslow Rock, and Ganado. The orchestra was received with enthusiasm from all of the schools.

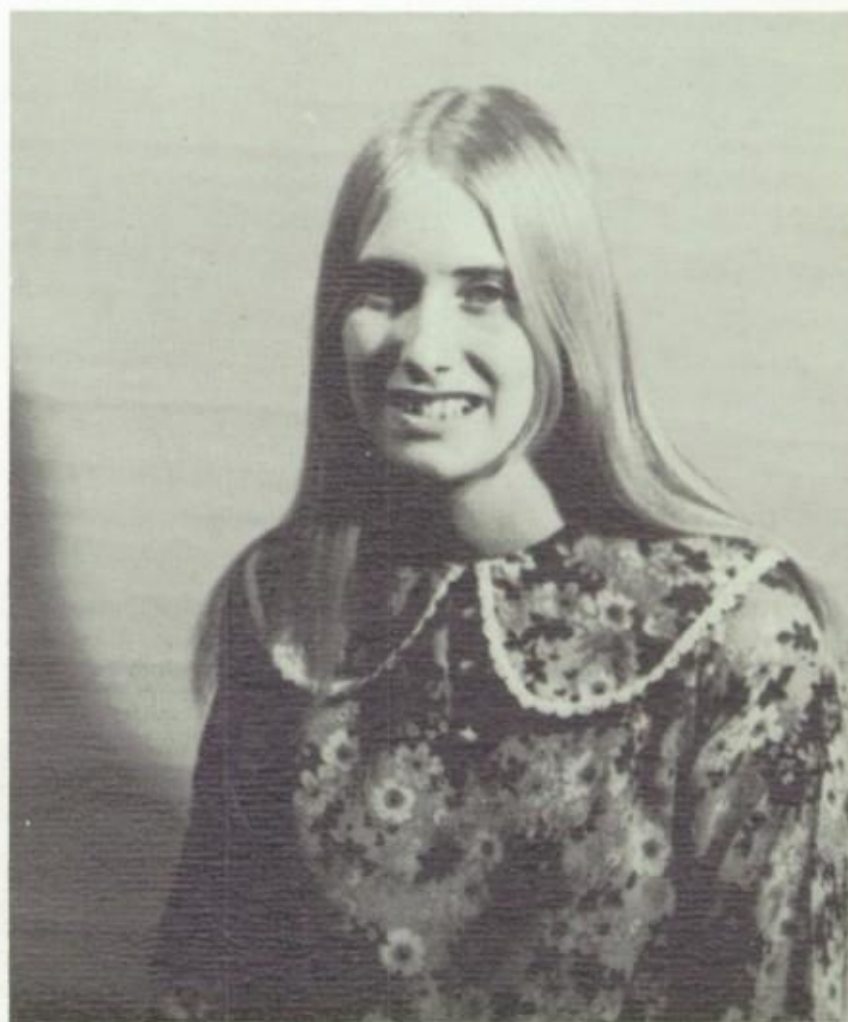

Fruit Cakes were their major money-making project for this year. The prices were \$3.00, \$5.00, and \$8.00. Quite a bit of money was made on this.

The group must meet on week nights in order for the entire membership to practice. These are every Tuesday evening. The group has made a name for themselves in Northern Arizona and will continue in this endeavor.

Melissa Ayres was chosen for All-State Orchestra and also received a 1 at the State Festival in Mesa.

CHEERLEADERS AND MASCOTS

W.H.S. THIS

VARSITY CHEERLEADERS: Cydney McLaws, Terry Horn, Janet Freeman, Rosemary Ewan.

The cheerleaders and the mascots have showed great spirit for their school this past year. They helped lead the spectators with their famous cheers at all of the games. They also sold spirit tags with humorous sayings.

They elected Janet Freeman for their student council representative and their head cheerleader for all three teams. Three of the Varsity cheerleaders have been cheering together for the last three years and one for two years.

J.V. cheerleaders have been following the Bulldogs with their cheers at every game too. They elected Kim McCormick for their head cheerleader for this year.

Freshman cheerleaders also helped lead cheers at many of the exciting games. They elected Linda Burgess for their head cheerleader.

The mascots elected Beth Neill for their captain. They also showed great spirit for the school and they were out supporting the Bulldogs at every game.

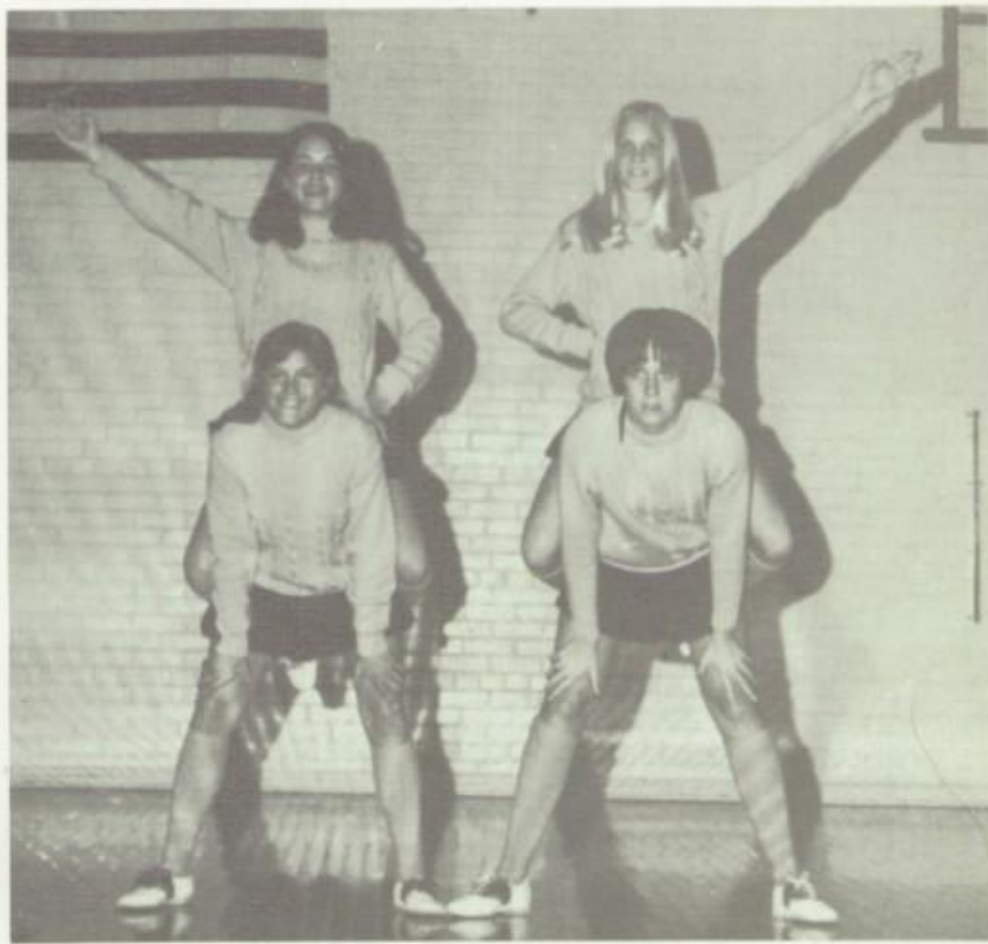

VARSITY CHEERLEADERS cheer the Bulldogs onto victory at one of the many exciting football games.

JUNIOR VARSITY CHEERLEADERS: Gwen Sorensen, Mary Benham, Kim McCormick, Terry Gardner, Karen O'Haco.

METEORETTES

Winslow High School Meteorettes is a group of 10 girls who perform at the football games and basketball games. They also promote WHS spirit. Tryouts are held every spring and each girl must be able to pass a set of requirements before they are admitted into the group.

During football season the girls march with the band and do routines during halftime. They perform routines at basketball games to the music of their choice.

With the help of their sponsor, Mrs. Hysong, these girls have contributed a great deal to the functions of the High School. They make up all of their own routines and work many hours outside of school time. This years' Meteorettes provided much entertainment and enjoyment for the Winslow fans and we know they will continue to in the years to come.

MAJORETTES

Majorettes help to promote school spirit. You will see them most often at football games, as they are part of the program put on by the Band at half-time. Once in a while they will perform a routine for the student body at a pep assembly or at a basketball game. This year's Majorettes were Judy Duran and Cheryl Weatherton.

THE WINSLOW HIGH SCHOOL CONCERT

The band of 1970-71 was a very eventful one. They performed at all home football games with an array of intricate drills along with popular music for the many interested fans. Again, this year, the favorite song was "The Horse."

The next event they all prepared for was District Solo and Ensemble Festival. Players receiving a 1 and eligible for State competition were Connie Thompson, David Rencher, Renee Bonvillion, Sue Wong, Ursula McLean, Bill White, Mike Ayres, and the Clarinet Quartet. David Rencher and Mike Ayres received a 1 at State.

The band played their Winter Concert in February. The music included a wide range of tunes from Bach to Nehlybel. Their next concert was in April followed by their annual tour in the Tempe area. This year, however, they competed at the AA-AAA Festival rather than at Flagstaff.

This year more students than ever attended All-State in Tucson. This is a band made up of the best musicians who have tried out for the band. Connie Thompson, Bill White, Mike Tyler, David Rencher, and Zelma Jones attended it for this year.

LOVE STORY WAS MORE THAN

"Love Story" was the theme for the 1971 Junior Prom. The Grand march began as the couples passed through a story book of love into a world created by the Romans. Flowers of pink and purple and vines of green covered the tables with a mystifying beauty.

Reigning from the throne of Love were Mike Faucher, prom king and Amber Brimhall prom queen.

The enchanted atmosphere filled with balustrades and Roman pillars with golden colored grapes were another attraction of the prom.

Girls dressed in beautiful formals and guys in white dinner jackets danced until the midnight hour when at such time Love Story turned into just a memorable dream.

The Prom was headed by several juniors and the whole class made it a big success and possible for the seniors to attend as their last function of the 1971 school year.

Everyone was dreading for the midnight hour when the world of love turned back into reality.

CHORUS VARIETY SHOW 1971

This year's Chorus Variety Show included skits, dances, solos, extra acts done by students not in chorus, and numbers from the chorus. This gives the chorus members a chance to display their musical talent to the rest of the student body. The variety show is held annually and is under the direction of Mr. Arthur, the chorus director

Bernestine Bonds, Joy Mattox, Liz Mayberry, Mary Alice Hayes, and Sandra Brown (Soul Sisters) performed a dance routine at the show.

Mr. Knight decided he liked to swim too.

Doug Sorensen and James Hopson enjoy themselves as they throw that certain person in the ice covered swimming pool.

KOHL'S "COOLS" SENIORS

Horseback riding was one of the many activities enjoyed by the seniors.

SENIOR HOP, BANQUET, AND

Shirley Light presented Mr. Curtis a gift as a token of appreciation for all he has done for the senior class. The presentation was made at the banquet.

The 1971 Senior Banquet was held May 22, at the Elks Auditorium. The theme of the banquet was the "Halls of Ivy," and it was decorated in maroon, white, and gold crepe paper with graduates down the center of the table.

The program consisted of a speech by Doug Sorensen, a group of seniors sung the Halls of Ivy, a skit written by Mr. Harris concerning college registration. Tayva Rhoton did a reading on, "What Is A Graduate." The class presented Mr. Curtis with a gift of appreciation for all the help he had given them, and Terri Curtis closed the banquet with a poem on success.

The Hop followed the banquet at the high school gym. The Capricios played western music to go with the theme of "Midnight Cowboy." The gym was decorated in a western style corral and saloon. Bea Moore was put in charge of the decorations.

Students are enjoying the senior hop. The music was provided by the Capricios.

Shirley Light and Gary Moody demonstrate how difficult freshman registration in college can be.

SHIRLEY AND MELISSA RECEIVE THE TWO TOP HONORS

Shirley Light and Melissa Ayres were selected the Valedictorian and Salutatorian of the 1971 graduating class. Because of all the hard work and effort each of them put behind four years of studying and trying to stay on top they received the two highest honors anyone can reach. The speeches given by the two at graduation were full of meaning and a lot of thought was put behind each of them. The work each of these two girls has done is to be commended and we are happy that each of these two girls will be going on to further their education.

Top: Shirley Light gives her speech at graduation entitled "As A Man Thinketh, So Is He."

Bottom: Melissa Ayres, Salutatorian, delivers her address entitled "Very Little Is Needed To Make a Happy Life."

Winslow	59	Chinle	54
Winslow	12	Gallup	24

The Junior Varsity team accomplished much this season. They had a 5-3 record with the losses coming to Many Farms, Gallup, and Snowflake. The first two games against Holbrook and Window Rock were won by a good margin. The game against Chinle was won by a slightly narrower margin than the first two games.

In all the Junior Varsity football team proved to be tough on both the offensive and defensive teams. They showed good sportsmanship and had lots of determination.

Next year's varsity should have a good team with many of the Junior Varsity members returning.

Keeping the scorebook straight is one of the duties of Coach Hysong.

DIVISION I CHAMPS

Front Row: Alvin Thompson, Peter Johnson, Bennett Chatter. Back Row: Rudy Atsitty, Mgr., Wood Franklin, Charley John, Wayne Taylor, Marvin Toddy, Coach Conatser.

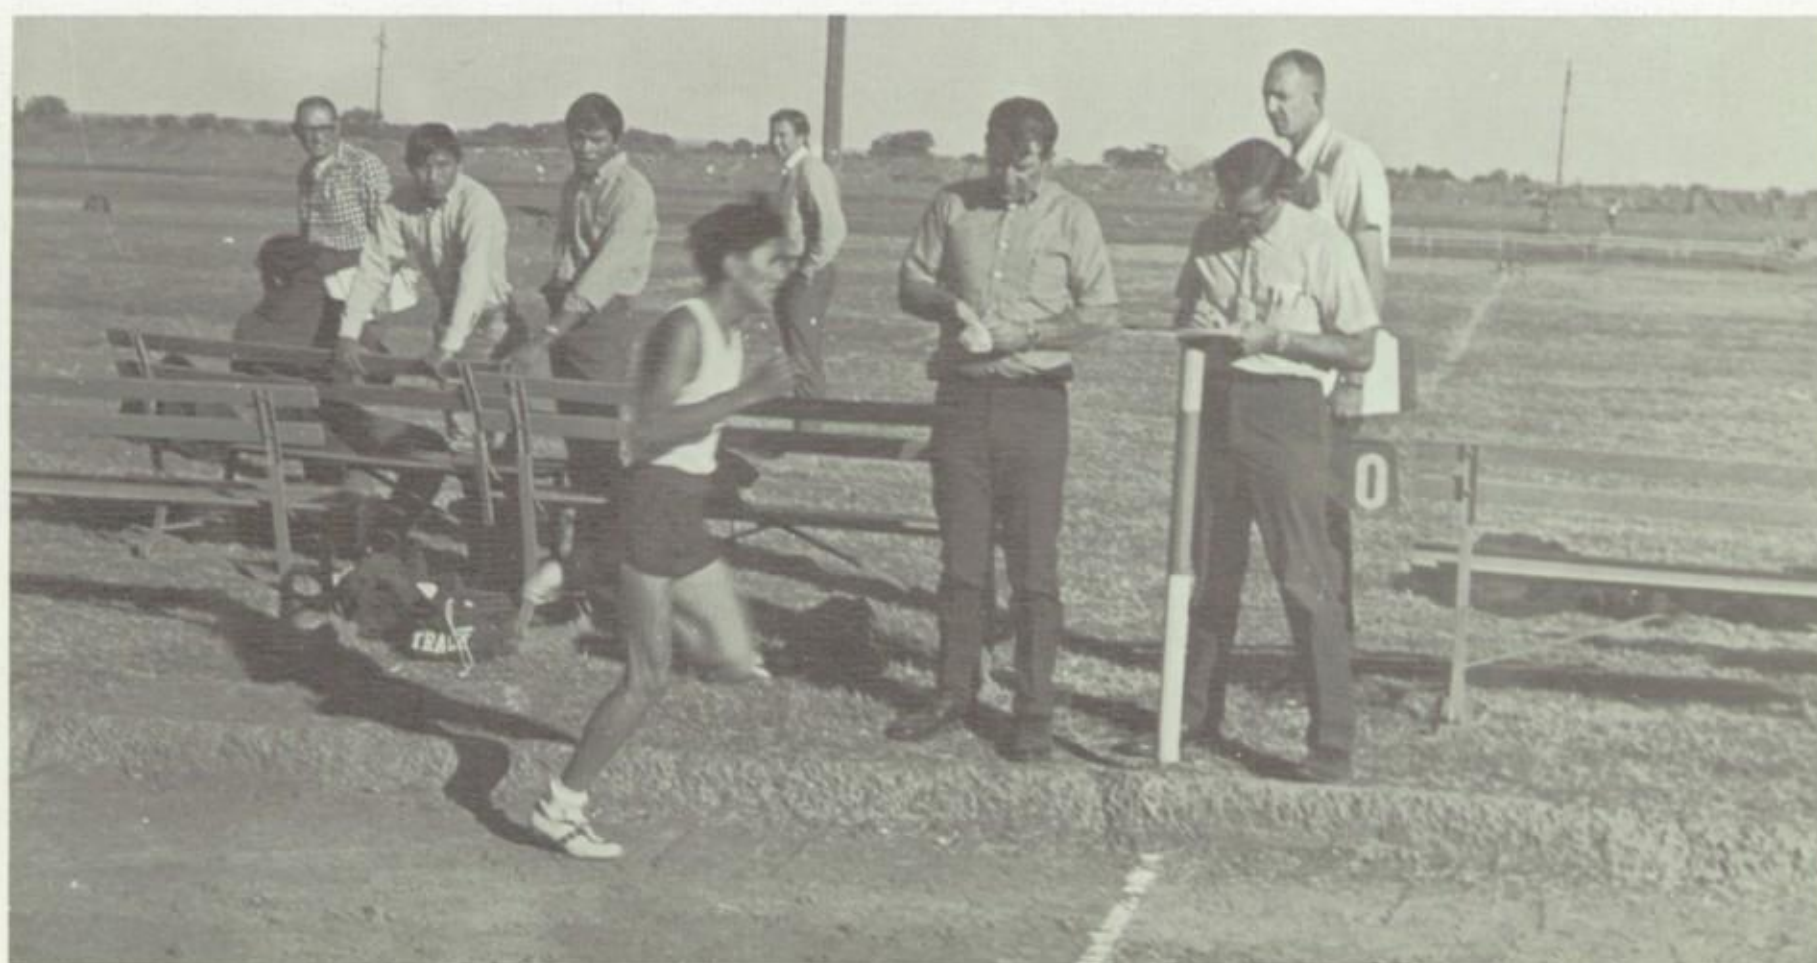

The Winslow Cross Country team displayed fine effort this year in winning the Division I Championship and placing second at the state meet. The team got off to a slow start but progressed well during the season into the best team in Winslow's cross country history.

Woody Franklin led Winslow's team by placing first in eight of the thirteen meets in which he participated. He also set a course record at Winslow of 12:37 for 2.6 miles. Others who did outstanding jobs and earning letters are Alvin John, Alvin Thompson, Marvin Toddy, Wayne Taylor, Bennett Chatter, Peter Johnson, Albert Peaches, and Rudy Etsitty, manager.

Alvin John gives a strong performance in the Winslow Kiwanis Meet.

Winslow participated in 13 meets this year. We placed first in three meets, second in four meets, third in two meets, fourth in two meets, and seventeenth of fifty-one teams at the Squaw Peak Meet. The Junior Varsity team participated in several meets during the regular season and showed great strength in winning some of these. Among the strong performance on this squad was Virgil Cruz, who will move into a Varsity position next year.

Woody Franklin anchors another first place.

Left to right, Front row: Jeff O'Haco, Danny Smith, Tom White, Chuck Benham, Ron Smith, Joe Hancock, Second row: Donny Baker, Tom Martinez, Mike Day, Mike Faucher, Steve Brockwell, Curtis Hardy, not pictured, Benny Bedoni.

The Bulldogs Varsity wrestlers started very slowly this year. They lost most of their early matches and tournaments. The Christmas Vacation marked the beginning of this years fine wrestling team. The boys made up their minds that it was time to start winning.

The wrestlers continued their winning tradition of the past eight years. They won the District Championship and went on to win the runner up spot over the entire state. They now have an eight year record of five team state championships and were runners up state champions the other three years. Most of the top wrestlers of this year's team will be back next year, and this will insure a fine effort to regain the number one spot which the boys have occupied for so many years.

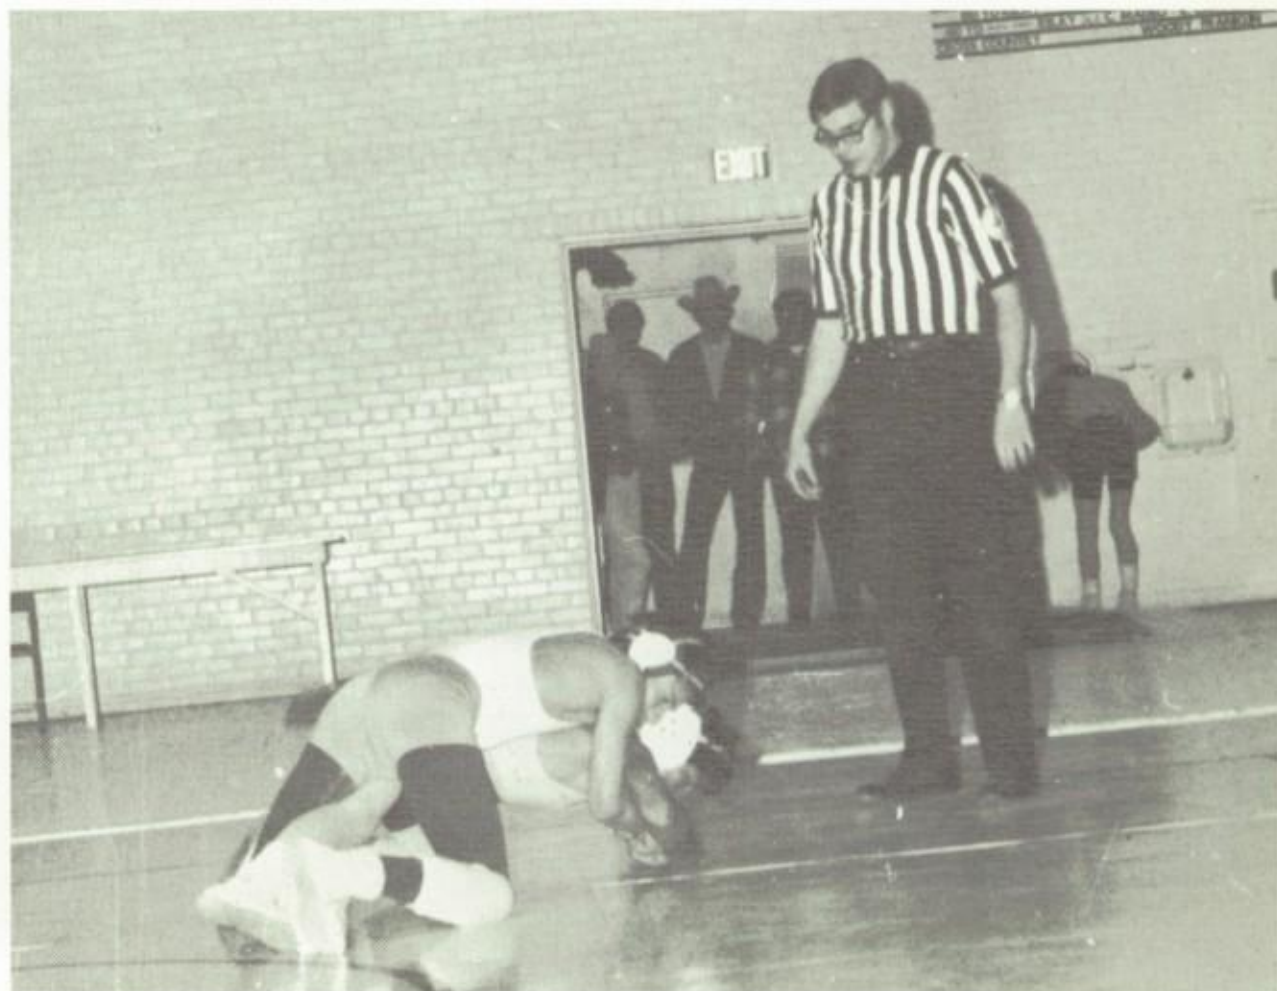

Curtis Hardy breaks down Phillip's from Phoenix Indian.

WRESTLING BULLDOGS TAKE SECOND IN STATE

Winslow mat man, Jeff O'Haco, fights for a takedown.

Ron Smith struggles to turn his opponent over and show him the light.

Joe Hancock struggles for a pin against his opponent.

Chuck Benham shows his strength in the Winslow Invitational.

Ron Smith fights for a Brave takedown.

Winslow matman, Chuck Benham, receives metal and championship card for placing first in state, the 112 pound weight division.

Tommy Martinez tries to turn his Roadrunner opponent over for a pin.

JUNIOR VARSITY WRESTLING

Front row: Andy Hernandez, Albert Peaches, Eddie Jo Gonzales, Edison Goldtooth, Henry Chesumpena, Larry Bahe, Reyes Salazar. Second row: Art Galleges, Luther McLean, Manuel Hernandez, Mike Day, Carl Wellman, Rueben Baca.

The Winslow Junior Varsity wrestling team was successful this year winning 6 dual meets and only losing to Prescott twice and Holbrook once. They later defeated Holbrook. Each Junior Varsity boy has a chance to win his letter by winning his way into the two top boys in each weight. This fierce competition starting in the Junior Varsity has been one of the principal reasons for Winslow wrestlers being State Champions most years. This years Junior Varsity team was a good one and Coach McArthur anticipates that several of the boys will make the big time next year.

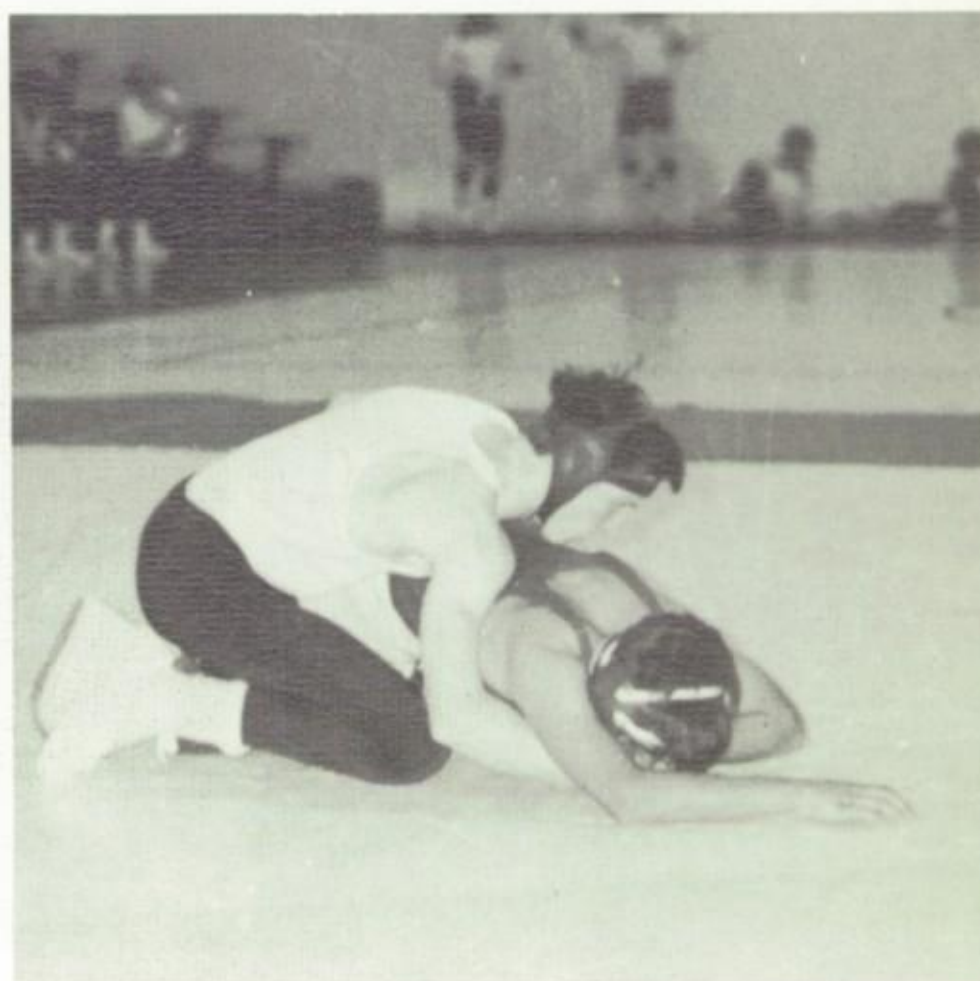

Luther McLean goes onto the mat, to defeat Holbrook.

FRESHMAN WRESTLING

Front row, Kneeling: Danny Smith, Andrew Knight, Mike Normandin, Joe Luther, James Burrage, Walter Harrah, Second row: Mr. Alfred, Rueben Lovato, Rex Shumway, Chuck Murray, Mike Day, Robert Mitchell, Kenny Conatser.

The Winslow Freshman wrestling team showed an outstanding amount of talent this year. All the boys worked hard for their school and Mr. Alfred their coach. Although hampered by injuries, the freshmen were rewarded for their efforts by a scoreboard of 8 wins and only 1 loss. Danny Smith and Mike Day also substituted on Varsity. This was one of the most excellent freshman wrestling teams that Winslow High has ever had and we're expecting a lot out of them in the years to come.

The season had its ups and downs with highlights being the 3rd place finish in district play after a disastrous conference schedule.

Disappointments were a last second loss to Holbrook and numerous suspensions of squad members. However, this gave Junior Varsity and Sophomore players an opportunity to play and they came through with exceptional and outstanding play.

Coach Downing credited his team with 100% effort to win the games.

The Bulldogs had a good season as they won their conference and played in the state tournament. The team loses five seniors, including all-conference first choices Eugene Taylor, Bob Dean, and Garry Hardy along with starters Porter Renfro and Don Baker. Next year there will be 14 returning letter men. Among them will be three freshmen, six sophomores, and five juniors led by all-conference performers: Jerry Kanuho and Tom Martinez. The Bulldogs should have very good prospects for several seasons to come.

Golf is a rising sport in Winslow High School this year. The team was coached by Carl Weatherton. Senior, Roy Adkins, will be the only senior player that the golf team will loose this year, but there are boys coming up who will furnish the team with added pep. The season was over all successful and profitable for all of the team members. The team this year had 12 matches that they competed in and came in the top places in a few of them.

Do We Really Need Nine Hundred Hoover Dams?

No. Because natural gas is with us. But it would take the power output of *more than* 900 Hoover Dams to equal the energy flowing through the nation's natural gas pipelines each day.

Over 797,000 miles of gas pipelines now criss-cross the country. Which isn't surprising when you consider that more than 28,000,000 American families are heating with gas. Not to mention those who use it for cooling, cooking, water heating and clothes drying. Or the 26,000 ways in which 168,000 industrial plants are using it.

More than a million new customers each year are turning to gas because it does these modern jobs more efficiently. More dependably. For less money. So who needs 900 Hoover Dams?

If you want the job done right ... do it with gas.

Being involved in your school and its many activities have been the role of the students in Winslow for the past year. Remember when you devoted all those hours of practice to an athletic team, club or class, or sacrificing your homework for those special events such as the Junior Prom or Senior Activities? Everything that each one of us has contributed to the school was captured in the 1971 Meteor.

The involvement of the students in the annual class went not only from the classroom, but also into the outside activities to capture the emotions and excitement that went into each activity that took place.

As each of you glance through the pages of the yearbook, I hope you are able to recall to mind the long-forgotten experiences and facts of the year that will remain in your personal lives from now on.

We feel very fortunate to have such a capable advisor as Mr. Conatser, for without his guidance we would be lost. To my staff, I say "Thank You All" for without each of you the yearbook would have not been as complete. Your cooperation and hard work have been appreciated.

I sincerely hope that you will enjoy the 1971 METEOR as much as I have enjoyed editing it for you, and I hope that it will be of lasting value to you in the future years.
